OUR COURSES

Our courses will give you all the skills you need to start your professional Bartending career.

You will have your own dedicated, fully equipped bar station, using only the highest quality bartending equipment.

Our trainers have over 20 years of combined experience in hospitality, all fully qualified to train and educate. They are extremely passionate and dedicated to their role.

We are the only school in London that offers 2 internationally recognised qualifications, both included on the course.

We guarantee job opportunity as soon as you graduate the course through our partnerships with the most iconic and known bar chains in London.

We also offer our students the opportunity to pay in 3 safe installments with unchanged rates.

WFA GRADING

The World Flair Association (WFA) is an association dedicated to flair bartending, bringing together bartenders from all sides of the globe and creating professional standards for flair worldwide. The WFA has over 8,000 members worldwide in more than 100 countries. We offer both the yellow and orange WFA certification.
